Return of Federal (Title IV) Financial Aid

As an Institution that participates and distributes students' financial aid Title IV Funds, Universidad Central del Caribe adheres to the Federal guidelines governing refunds related to said program. The return of the Title IV Funds Policy applies to all registered students who qualify and participate in the federal financial aid program and later withdraw or are administratively withdrawn. The policy determines the amount of funds the student spends at the moment of withdrawal up to sixty (60) percent of the academic term; after this period refunds are not applicable.

Refunds will be made within thirty (30) days from the date that the University determines that the student had withdrawn. Requests for withdrawal must be submitted in writing to the registrar.

The formula used to determine the total amount to be refunded is as follows:

1. Determine the percentage of period of enrollment the student attended.
2. Determine the amount of Title IV funds earned by multiplying the total amount of Title IV aid (other than FWS) for which the student qualified by the percentage of time enrolled.
3. Compare the amount earned to the amount disbursed, if less aid was disbursed than was earned the student may receive a post-withdrawal disbursement by the institution for the difference. If more aid was disbursed than was earned, the Institution will determine the amount of Title IV aid that must be returned (i.e., that was unearned) by subtracting the earned amount from the amount actually disbursed. The difference will be refunded to the appropriate Title IV Funds Program.
4. If the student received an amount of funds that had been considered due prior to withdrawal and upon withdrawal it is determined the student received an overpayment, the student will be responsible for the reimbursement of the amount determined to be an overpayment.

If the student has received an overpayment, the Financial Aid Office will communicate to the student the existence of his situation and that he/she is responsible to return the overpayment amount.
