

**Universidad Central del Caribe**  
**Office of the Associate Dean for Research and Graduate Studies**  
**Protocol Identification Number Request Form**

**Protocol Identification Number:**  
 \_\_\_\_\_  
 For OADRGS Use

Protocol Title:

Principal Investigator: \_\_\_\_\_ Dept./Unit: \_\_\_\_\_

Phone: \_\_\_\_\_ E-mail: \_\_\_\_\_

**Research Area**

Drug Abuse   
  HIV   
  Neuroscience   
  Cell Biology   
  Cancer   
  Other \_\_\_\_\_

**Special Approvals / Requirements (Check all that apply)**

Contact the corresponding committee for an orientation about the procedures to obtain the appropriate approvals to perform the research.

For contact information visit [http://www.uccaribe.edu/research/?page\\_id=1001](http://www.uccaribe.edu/research/?page_id=1001)

Research Involves		Approval	Research Involves		Approval
	Human Subjects	IRB		Controlled Substances	PHA
	Animal Subjects (Specify)	IACUC		Conflict of Interest	OADRGS
	• Rats			Clinical Trial	IRB
	• Mice			Recombinant DNA	IBC
	• Frogs			Select Agents and Toxins	IBC
	• Reptiles (caimans)			Pathogens	IBC
	• Fishes			Human Cells/Tissues	IRB / IBC
	• Others			Stem Cells	IRB
	Radioactive Materials	RSC		Chemical Hazards	CSC
	Other (Describe)				

**IRB:** Institutional Review Board, **IACUC:** Institutional Animal Care and Use Committee, **RSC:** Radiation Safety Committee, **OADRGS:** Office of the Associate Dean for Research and Graduate Studies, **IBC:** Institutional Biosafety Committee, **CSC:** Chemical Safety Committee, **PHA:** Pharmacology

**Protocol Identification Number Acknowledgement**

Principal Investigator:	Signatures
<ul style="list-style-type: none"> <li>I understand that the assignment of the Protocol Identification Number is the first step of the process by which the protocol will be submitted to institutional committees that will evaluate it.</li> <li>The Protocol Identification Number <b>does not</b> mean that the study was approved.</li> </ul>
