UCC Student: How to Log-in and Change your Password.

Logging In:

To log-in, use your **Student ID Number**.

The default password is the **last 4 numbers of your SSN**.

Changing Passwords:

Very important! We recommend that you change your password to your account after logging for the first time.

- After logging, at the top of the page you will see this icon , click on the icon and select "Personal Info".
- Then click on the "Password" tab
- Enter your old password and then enter your new password. Passwords must be between 4 to 16 characters in length.
- Select "Save"

If for some reason you **forgot your password**, you can request a password reset after a failed login attempt. Enter your **ID NUMBER** in the field at the top right of the window and click the 'forgot password' link. The system should automatically reset your password and email you the new, temporary password. If you are a Student or Staff member, this will be your UCC email address. **Important!** After a password reset, please change your password back to something you can remember.
